

Barbara L. Hamrick, JD, CHP

Senior Health Physicist, *Western Radiation Safety Academy*

- ❖ *JD, Law (1999), Loyola Law School, Los Angeles*
- ❖ *M.S., Physics (1987), University of California, Irvine*
- ❖ *B.S., Physics (1985), University of California, Irvine*
- ❖ *California State Bar Admittance (1999)*
- ❖ *American Board of Health Physics Certification (2002)*

Experience

- 2009 – Pres. Senior Health Physicist, *Western Radiation Safety Academy*. Provides radiation safety consulting, auditing, and training to hospitals, universities, and the nuclear industry.
- 1998 – 2009 Senior Health Physicist, *California Department of Public Health*. Responsible for supervising staff performing radioactive materials inspections, investigations, emergency response, and enforcement actions throughout southern California, at over 700 licensed facilities, and serving as one of California's liaisons to national radiation protection agencies and organizations.
- 1992 – 1998 Health Physicist, *Los Angeles County Office of Radiation Management*. Responsible for performing radioactive materials inspections, investigations, and emergency response for licensed facilities within Los Angeles County, and for providing basic radiation training to staff in multiple other Los Angeles County or City organizations.
- 1990 – 1992 Radiation Specialist, *U.S. Nuclear Regulatory Commission, Region III*. Responsible for radiation safety inspections at commercial nuclear power plants, and radioactive materials licensee facilities throughout the mid-west.

Professional Activities

Health Physics Society

Board of Directors, Director 2007 – 2010

Ad Hoc Committee on Communications and Outreach, Chair 2008 – 2009

12th Congress of the International Radiation Protection Association, U.S. Health Physics Society Delegate October 2008

Governmental and Society Relations Committee, Member 2004 – 2007

Organization of Agreement States

Board Member, 2004 – 2007

Chair, 2005 – 2006

Conference of Radiation Control Program Directors, Member 1998 - Present

U.S Nuclear Regulatory Commission Chairman's Task Force on Radiation Source Protection and Security, Subgroup on Public Education

Member, 2007-08

U.S. Nuclear Regulatory Commission, Materials Security Working Group

Co-Chair, 2004 – 2005
