

RADIATION SAFETY ACADEMY

Academy Licenses and Registrations

Jurisdiction	License #	Type	Name (if individual)	Issued	Expiration
American Academy of Health Physics		Comprehensive Health Physicist Certification (CHP)	Ray Johnson	1988	2008
			Alan Fellman	1995	2007
			Sean Austin	1997	2009
District of Columbia	RP0500001	Radiation physics consultation			9/30/2007
Florida		Approved training courses: 40-hour Radiation Safety Officer 8-hour Basic Radiation Safety		7/12/2004	
Maryland	MD-31-244-01	Radioactive Materials including: Possession of sources for training, Sampling and sample analysis, Leak test analysis Check source sales, Instrument calibration		2/9/1995	10/31/2008
Maryland	31-2482	Radiation Machine Facility Registration		2/12/2003	12/31/2008
Maryland	839	Radiation Machine Inspector License	Ray Johnson	4/2/2003	
Maryland	846	Radiation Machine Inspector License	Alan Fellman	7/29/2004	
Massachusetts	65-0254	Training, Radiation Safety Audits, Licensing/Machine Reg. Assistance		6/2001	12/31/2007
Texas	R27067	Consultant: X-ray	Ray Johnson	8/26/2002	8/31/2008
Vermont	018-0002324	Professional Engineer – Sanitary	Ray Johnson	1965	7/31/2008
West Virginia	901055	Meter Calibration Shielding Design Health Physics Consultation Rad Source Services		1/17/2003	1/17/2006
West Virginia	601006	Shielding Design Health Physics Consultation Rad Source Services Radiation Machine Evaluation	Ray Johnson	1/17/2003	1/17/2006
West Virginia	601007	Shielding Design Health Physics Consultation Rad Source Services Radiation Machine Evaluation	Alan Fellman	1/17/2003	1/17/2006
West Virginia	601008	Shielding Design Health Physics Consultation Rad Source Services Radiation Machine Evaluation	Sean Austin	1/17/2003	1/17/2006

Serving Those Who Want the Best Understanding and Assurance of Radiation Safety
